POLICE PENSION AND RETIREMENT
SYSTEM IN SUPPORT OF (I) LEAD
PLAINTIFFS' UNOPPOSED MOTION FOR
FINAL APPROVAL OF CLASS ACTION
SETTLEMENT AND APPROVAL OF PLAN
OF ALLOCATION; AND (II) LEAD
COUNSEL'S MOTION FOR AN AWARD
OF ATTORNEYS' FEES AND EXPENSES
AND AWARD TO LEAD PLAINTIFFS
PURSUANT TO 15 U.S.C. §78U-4(A)(4)

DATE: December 2, 2025
TIME: 2:00 p.m.
DEPT: Courtroom 9, 19th Floor
JUDGE: Honorable Trina L. Thompson

1 I, Ginger Sigler, hereby declare as follows:

2 1. I am the Executive Director of Lead Plaintiff Oklahoma Police Pension and
3 Retirement System (“Oklahoma Police” or the “System”).¹ I respectfully submit this Declaration
4 on behalf of Oklahoma Police in support of Lead Plaintiffs’ Unopposed Motion for Final Approval
5 of Class Action Settlement and Approval of Plan of Allocation and Lead Counsel’s Motion for an
6 Award of Attorneys’ Fees and Expenses and Award to Lead Plaintiffs Pursuant to 15 U.S.C. §78u-
7 4(a)(4).

8 2. Oklahoma Police provides retirement and related benefits for qualified police
9 officers and their beneficiaries in the state of Oklahoma. As of June 2025, Oklahoma Police had
10 more than 10,000 active members and retirees and more than \$3 billion in assets under
11 management. Oklahoma Police purchased CareDx common stock during the Class Period and
12 suffered substantial losses as a result.

13 3. Oklahoma Police understands that the Private Securities Litigation Reform Act of
14 1995 was intended to encourage institutional investors to direct securities class actions. Prior to
15 and following appointment as Lead Plaintiff, Oklahoma Police has monitored the progress of the
16 litigation, including engagement with Lead Counsel Saxena White P.A. (“Saxena White”)
17 regarding case developments, litigation strategy, and potential resolution of the Action. In
18 fulfillment of its responsibilities on behalf of all members of the Class, Oklahoma Police has: (i)
19 engaged in meetings and correspondence with Lead Counsel; (ii) participated in the Action and
20 provided input into the prosecution of the case; (iii) kept informed regarding case status; (iv)
21 reviewed documents filed in this Action and opinions of the Court; (v) kept informed about
22 mediation and settlement negotiations; and (vi) considered and approved the proposed Settlement.

23 4. Oklahoma Police believes the Settlement is an excellent result and its approval is
24 in the best interest of the Class. In making its determination that the \$20,250,000 Settlement
25 represents a fair, reasonable, and adequate amount for the Class, Oklahoma Police evaluated the
26 significant risks and uncertainties of continuing litigation, including the possibility of a nominal
27

in the Stipulation of Settlement (ECF No. 177-2).

1 recovery or even no recovery, and weighed those risks against the substantial benefits of the
2 Settlement to the Class. In light of those factors, Oklahoma Police believes the Settlement is fair
3 and reasonable and urges the Court to approve the Settlement.

4 5. While Oklahoma Police understands that any determination of attorneys' fees is
5 left to the Court, the System supports Lead Counsel's application for 25% of the Settlement Fund.
6 A 25% award is particularly appropriate here because of the highly complex issues involved, Lead
7 Counsel's tremendous investment of time and resources, the outstanding result achieved, the
8 approval of the Class, and the significant risks in the litigation. Oklahoma Police believes the
9 request is fair, reasonable, and appropriate as this Settlement would not have been possible without
10 the diligent efforts of Lead Counsel, who vigorously litigated this case.

11 6. Oklahoma Police further believes that the litigation expenses being requested for
12 payment to Lead Counsel are reasonable and represent costs and expenses necessary for the
13 prosecution and resolution of the claims in the Action. Based on the foregoing, Oklahoma Police
14 fully supports the request for attorneys' fees and expenses.

15 7. Throughout the prosecution of the Action, Oklahoma Police was represented and
16 supported by myself and other System representatives. The time that other staff members of
17 Oklahoma Police and I devoted to pursuing the Class's interests in this Action was time we
18 otherwise would have devoted to other work for the System and thus represents a direct cost to
19 Oklahoma Police. In total, Oklahoma Police's representatives and I devoted approximately 70
20 hours in support of the System's efforts in furtherance of the prosecution of this Action and to
21 achieve this recovery on behalf of CareDx shareholders during the Class Period.² Applying my
22 hourly billing rate of \$90, the System incurred costs of \$6,300, for which it respectfully requests
23 reimbursement.³

24
25
26 ² While Oklahoma Police devoted a significant amount of time to this Action, this request for
27 reimbursement of costs is based on a very conservative estimate of the amount of time spent on
this litigation, as supported by the System's and Lead Counsel's records.

28 ³ The hourly rate used for purposes of this request are based on my annual salary.

1 8. In light of the foregoing facts, the System respectfully requests that the Court
2 approve the \$20,250,000 Settlement, as well as Lead Counsel's application for an award of
3 attorneys' fees and expenses, and award Oklahoma Police \$6,300 pursuant to 15 U.S.C. § 78u-
4 4(a)(4) for its costs in connection with the prosecution of this Action.

5 I declare, under penalty of perjury, that the foregoing is true and correct to the best of my
6 knowledge. Executed this 25th day of September, 2025.
