Plaintiff,

vs.

CAREDX, INC., et al.,

Defendants.

Case No. 3:22-cv-03023-TLT (Securities Case)

CLASS ACTION

THIRD DECLARATION OF KATHLEEN BRAUNS IN SUPPORT OF PLAINTIFFS' INTERIM POST-DISTRIBUTION ACCOUNTING

I, Kathleen Brauns, declare as follows:

1. I am a Project Manager of the Class Action Administration Division of A.B. Data, Ltd. ("A.B. Data"), whose corporate office is located in Milwaukee, Wisconsin. I am over 21 years of age and am not a party to the Action.[1] The following statements are based on my personal knowledge and information provided to me by A.B. Data employees working under my supervision, and if called on to do so, I could and would testify competently thereto.

2. As further described in my previous declaration, the Declaration of Kathleen Brauns in Support of Plaintiffs' Interim Post-Distribution Accounting ("Initial Brauns Declaration") (ECF 199-2), on May 20, 2026, A.B. Data conducted the initial distribution of the Net Settlement Fund, in accordance with the Plan of Allocation approved by the Court's December 4, 2025 Order Granting Motion for Fairness and Final Approval of Settlement; Motion for Attorneys' Fees and Expenses (ECF 198) (the "Final Approval Order"). The initial distribution included sending $14,884,853.19 by check or wire transfer to 7,968 Authorized Claimants (Line 19) whose Claims were approved for payment. A.B. Data encountered no problems or unexpected issues in conducting the distribution.

3. As of September 2, 2026, the figures that have changed from the Interim Post-Distribution Accounting Form (ECF 200-1) filed on August 3, 2026, are found on Lines 15, 16, 17, and 18. Specifically, 143 checks (Line 16) totaling $14,113.59 (Line 17) remain uncashed, reflecting a success rate of 99.91% (Line 15).[2] As a result, the total amount of settlement funds claimed by class members is now $14,870,739.60 (Line 18). Although the checks mailed in the distribution contained a stale date of August 18, 2026, A.B. Data is continuing to reach out by email and phone calls to Claimants who did not cash their distribution checks and will offer to

[1] Unless otherwise noted, all capitalized terms not defined herein shall have the same definitions as in the Stipulation of Settlement ("Stipulation") filed on May 23, 2025 (ECF 177-2).

[2] While the aggregate dollar amount of uncashed payments has decreased since the filing of the Interim Post-Distribution Accounting Form on August 3, 2026, the total number of uncashed checks has increased from 140 checks to 143. The increased uncashed check count is the result of a lump-sum payment returned by an institutional filer, who did not identify the underlying claims associated with the refund until after the August 3, 2026, filing.

reissue checks to Authorized Claimants who have not yet cashed their checks for as long as feasible prior to any second distribution.

4. If the funds remaining in the Net Settlement Fund as a result of uncashed or returned checks are sufficient to make a second distribution cost effective, A.B. Data will conduct a subsequent distribution in which A.B. Data will redistribute any funds remaining in the Net Settlement Fund, after deducting any Court-approved unpaid fees and expenses incurred as well as taxes and tax expenses, to Authorized Claimants who cashed their checks in the initial distribution and who would be entitled to receive at least $10 from the second distribution.

5. As set forth in the Stipulation and Final Approval Order, once reallocations are no longer feasible, residual funds will be donated to the *cy pres* recipient, the Council of Institutional Investors ("CII"). The parties cannot estimate whether a *cy pres* distribution will be necessary since it depends on the residual amounts available after all distributions from the Net Settlement Fund is completed.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

Executed on September 2, 2026.
